

DAY TRIPPING!

Within a two hour drive of Houston, Galveston, Beaumont (TX) and Lake Charles (LA), we're a great option to drive in for a day at the beach and be back in time for dinner. For those who are attending a meeting or convention, we offer the perfect getaway for a spouse/significant other program. Other markets served include corporate team building, family reunions, church outings, youth programs, "girl days out", or any other private group.
